

Faster. Tougher. Smarter.

The quality of Samsung meets the accessibility of Chrome OS. Its all-new light and compact design lets you stream, work, create, and play on a fast, secure device designed to take everywhere. You can download and save content and work with others using Google Suite. Built with long-lasting battery and Gigabit Wi-Fi connectivity, the new Samsung Chromebook 4 brings speed and efficiency to any and every task or adventure.

Just your size

Slim, under 3 pounds, and with military-grade durability,¹ it's made to handle bumps and drops. Plus, it comes with a full-sized keyboard and trackpad.

Google makes it easy.

Access the world of Google. Use Google Docs, Google Drive, the Google Play Store and more.

Ultra-fast connectivity

With a lightning fast Gigabit Wi-Fi connection, stream or download massive files rapidly.

Protected inside and out

Multiple layers of built-in virus protection guard against malicious malware. Automatic updates ensure you always have the latest in security protection.

Power through your day.

Delivers up to 12 hours² of battery on a full charge that quickly recharges on a USB-C charger.

Just say the word.

Use your voice to make a request and Google Assistant will get it done—whether you want to update your calendar or reply to a message, make a note or check the news.

Style and security

Boasting a sleek aluminum chassis and modern, minimalist design that looks as good as it performs. An ultra-slim bezel lets you enjoy more of the gorgeous yet durable glass screen. Keep it all safe with a fingerprint reader that provides speedy access and premium security just for you.
